Steps to get “Writer” permission for QuestionPoint wiki

1. Click the link titled “request access” located on the right hand-side of the page.

2. Type in your email address, type in the letter displayed and click “Send to administrator”
3. You’ll get a confirmation email when your request is approved.

Hello,
You’ve just been given Writer access to collaborate on our workspace. A workspace is a powerful tool for multiple people to edit documents, work together, and coordinate projects. Our workspace, securely hosted on PBworks, is called questionpoint.

Please click here to visit questionpoint.

Thank you

PS: You can manage your workspaces at my.pbworks.com.
